CHOOSE **INNOVATION**. CHOOSE **QUALITY**. CHOOSE **SIMILAC**®.

* Abbott Infant Formula Survey Data on File, December 2018.

CHOOSE SCIENCE-BASED INNOVATION

The **first & only** 5 HMO prebiotic blend

The **first & only** hypoallergenic, extensively hydrolyzed infant formula with 2'-FL HMO

The **first** infant formula with 2'-FL HMO

The **first & only** commercially sterile, extensively hydrolyzed liquid protein fortifier

The **first & only** nonacidified human milk fortifier with extensively hydrolyzed protein

Our **unique blend** of three probiotic strains found in Similac® Probiotic Tri-Blend

WHY CHOOSE SIMILAC?

With 5 HMOs, Similac® 360 Total Care® has the closest prebiotic blend to that in breast milk

2'-FL HMO supports baby's immune system and is the most abundant HMO in most human milk

With **no palm olein oil** for excellent calcium absorption and strong bones

Exclusive blend of **DHA**, **lutein**, and **vitamin E** for brain and eye development

Added nucleotides to support the developing immune system

CHOOSE SIMILAC® FOR YOUR HOSPITAL
